### *Olé! Hailey's Hope Hosts Fabulous Fiesta*

Hailey's Hope Foundation hosted their third annual fundraiser, "Fiesta en la Playa", at Manursing Island Club April 30. Over 125 guests were treated to great food, drinks, music, and much more – all with a fabulous Mexican flair! The event was a huge success and raised over \$85,000 to help fund programs that provide support to many Westchester families in need with premature and critically ill babies hospitalized in the Neonatal Intensive Care Unit.

"This is our biggest fundraising event of the year," said Donna Zion, chair of the event and Hailey's mother. "We feel blessed by the generosity of our supporters, especially our friends in the Rye community." ■
