

Raising High Hopes

More than 120 supporters of the Hailey's Hope Foundation headed to the beach the evening of June 1 for the organization's 5th Annual Beach Bash. Guests enjoyed fabulous food, cocktails, and calypso music under the stars at Manursing Island Club.

The event raised approximately \$100,000 to benefit families with premature and critically ill babies hospitalized in Neonatal ICUs at Maria Fareri Children's Hospital in Valhalla and other New York area hospitals. ■
